PALWAR GROUP

"Connecting Global Resources"

About Us

Since 1965, Palwar Group is a trusted name in the field of recycling, and scrap trading of ferrous and non-ferrous metals, plastics, steel grades, as well as metal ores.

With decades of industry experience, we have built a strong reputation for reliability, ethical business practices, and consistent quality.

Driven by a commitment to sustainability in economy, we transform industrial scrap into valuable reusable resources, serving manufacturers, recyclers, and exporters across diverse industries.

PALWAR GROUP

“Connecting Global Resources”

Our Vision

To be a globally trusted leader in recycling, and sustainable material solutions, driving the circular economy through innovation, integrity, and environmental responsibility while creating long-term value for industry, society, and future generations.

Our Mission

To deliver reliable, high-quality recycled metals, plastics, and raw materials that meet industry standards and customer expectations. Palwar Group wants to promote responsible recycling practices that reduce environmental impact and conserve natural resources.

PALWAR GROUP

"Connecting Global Resources"

Our Commitment to Sustainability

At Palwar Group, recycling is not just a business, it is a responsibility. We actively contribute to environmental conservation by promoting responsible waste reduction, and material reuse, supporting a greener future.

Industries We Serve

- ◆ Manufacturing & Engineering
- ◆ Automotive & Infrastructure
- ◆ Construction & Fabrication
- ◆ Packaging & Plastic Processing
- ◆ Recycling & Foundry Units
- ◆ Export & Import Trade

Quality & Compliance

- ◆ Industry-Standard Processing
- ◆ Strict Material Inspection & Grading
- ◆ Bulk Supply Capability
- ◆ Customized Packaging
- ◆ Nationwide Logistics

PALWAR GROUP

"Connecting Global Resources"

Palwar Group Of Companies

We are a diversified Group of Companies dedicated to the responsible recycling, and recovery of metals and plastics, delivering sustainable solutions to industries, businesses, and communities.

With years of experience and a strong operational network, we play a vital role in transforming scrap materials into valuable reusable resources while minimizing environmental impact.

PALWAR GROUP

"Connecting Global Resources"

All Kinds Of Plastics (Scrap & Recycle)

With a strong industry presence and a commitment to sustainability, we specialize in sourcing, processing, and supplying high-quality plastic scrap and granules to meet diverse industrial requirements.

Recycling & Trading of Plastics Including :

- ◆ HDPE, LDPE, and PPPE
- ◆ Plastic Granules
- ◆ Injection Molding Scrap
- ◆ Bow Moulding Scrap
- ◆ Plastic Film Scrap
- ◆ Industrial Plastic Waste

PALWAR GROUP

"Connecting Global Resources"

Ferrous and Non-Ferrous Metals *(Scrap & Recycle)*

We are a trusted name in the recycling and scrap trading of ferrous and non-ferrous metals. With years of industry experience, we specialize in sourcing, manufacturing, and supplying high-quality of metal scrap to industries across the nation. Our operations are driven by transparency, reliability, and a strong commitment to sustainable metal recycling.

Recycling Ferrous and Non-Ferrous Metals :

- ◆ Aluminum Wires, Ingots, Cores, & Sections
- ◆ Copper Wires, Billets, & Cores
- ◆ Brass Ingots
- ◆ Zinc
- ◆ Structural & Machinery Scrap
- ◆ All Kinds of Industrial Metal Scrap

Your Trusted Global Recycle Partner Since 1965.

PALWAR GROUP

"Connecting Global Resources"

All Kinds Of PET Plastics (Scrap & Recycle)

We are also well established in the sphere of various types of PET plastic recycling and scrap trading, dealing in a variety of PET plastic waste materials. With a strong commitment to sustainability, we specialize in the collection, processing, and trading of recyclable PET plastics across industries.

Recycling & Trading of PET Plastics :

- ◆ PET Flakes
- ◆ PET Tubes / Preforms
- ◆ PET Gulla / Lumps
- ◆ PET Bottles
- ◆ Mixed PET Plastic Waste
- ◆ All Kinds of Industrial PET Scrap

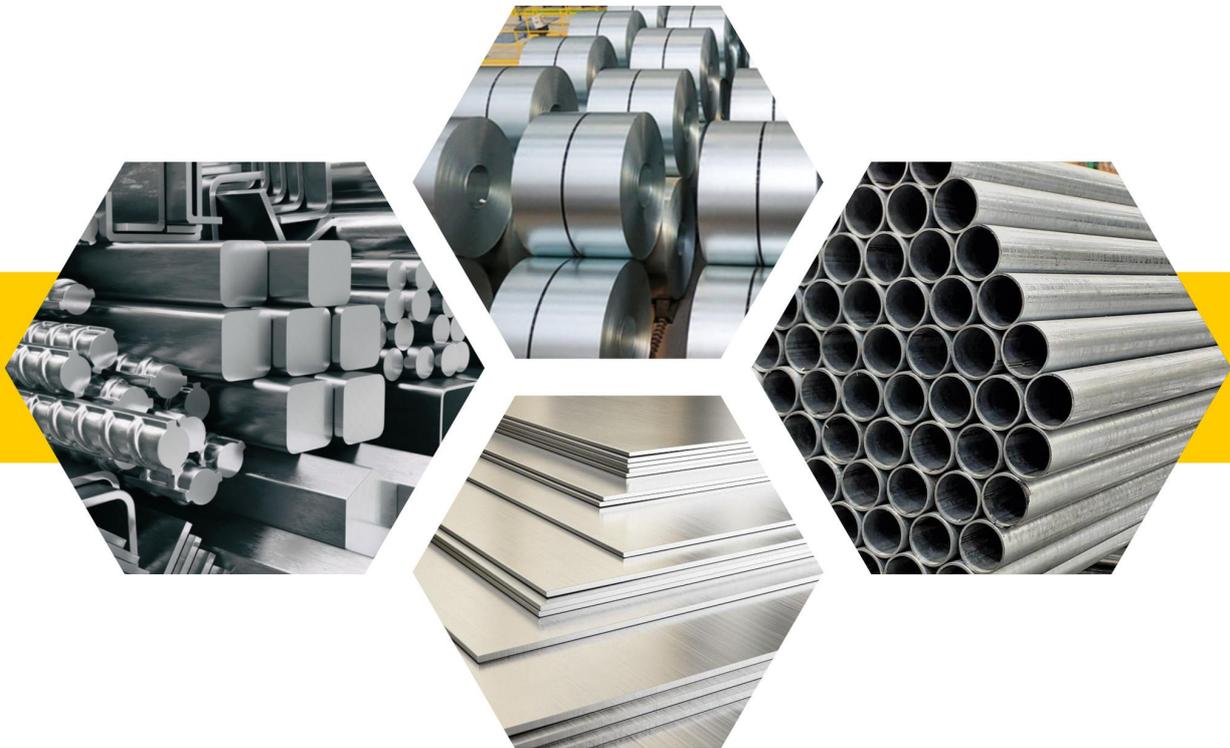

PALWAR GROUP

"Connecting Global Resources"

HMS / Stainless Steel *(Scrap & Recycle)*

We reliably deal in the recycling and scrap trading of diverse range of HMS / Steel (Heavy Metal Steel). With years of industry experience, we have built a strong reputation for transparent dealings, and timely execution able us to catering to manufacturers, fabrication units, as well as industrial and construction companies.

Recycling & Trading of HMS / Stainless Steel :

- ◆ Stainless Steel Scrap
- ◆ SS 304, SS 316, SS 202
- ◆ Heavy Melting Scrap (HMS)
- ◆ MS Scrap (Mild Steel)
- ◆ Fabrication & Structural Steel Scrap
- ◆ Industrial & Plant Dismantling Scrap

Your Trusted Global Recycle Partner Since 1965.

PALWAR GROUP

"Connecting Global Resources"

Metal Ores *(Global Imports)*

Palwar Group is specialises in metal scrap, sourcing, and the import of high-quality metal ores from trusted global suppliers. With a strong focus on sustainability, quality assurance, and long-term partnerships, we serve industries across the sectors of steel, construction, manufacturing, automotive, power, and infrastructure.

Importing all kinds of Metal Ores :

- ◆ Iron Ores, Copper Ores, Aluminum Ores, Zinc Ores, Nickel Ores, & Chrome Ores etc.
- ◆ High Quality Special Metal Ores
- ◆ Industrial Metal Ores
- ◆ Import & Trading of Metal Ores
- ◆ All Kinds of Metal Ores

PALWAR GROUP

"Connecting Global Resources"

Importer Of Plastic & Metal Scrap From Across The Globe

Palwar Group is a globally connected importing company specializing in plastic scrap, metal scrap, and metal ores sourced from trusted suppliers across the world. With a strong focus on quality, compliance, and sustainability, we cater to the diverse raw material needs of recycling units, smelters, and manufacturing industries.

Imports - Exports of Plastic and Metal Scrap Worldwide

Our extensive international network enables us to procure a wide range of recyclable materials that meet industry standards and customer specifications. Through efficient logistics, transparent trade practices, and strict quality control, we ensure timely delivery and consistent supply through direct export of recycled materials worldwide.

PALWAR GROUP

"Connecting Global Resources"

Why Palwar Group ?

We are committed to delivering value-driven solutions in the scrap and recycling industry of plastics and metals by maintaining integrity, consistency, and customer satisfaction. Our goal is to support sustainable metal scrap and recycling while helping clients achieve the best returns on their scrap materials.

- ✓ Established legacy since 1965
- ✓ One-stop solution for all metals and plastics scrap
- ✓ Ethical and transparent business practices
- ✓ Strong recycling and sustainability
- ✓ Experienced workforce
- ✓ Modern handling methods
- ✓ Accurate weight and quality assessment
- ✓ Reliable supply and timely delivery
- ✓ Long-term business relationship focus

*For buying or selling any kind of plastic, ferrous and non-ferrous metal scrap, **connect with Palwar Group** - your dependable scrap partner.*
